Dear New Providence Community,

On behalf of the New Providence Board of Education, students, staff, and administration, we thank you for the successful passage of our District's referendum yesterday in the general election. Your support and trust in us are recognized in the overwhelming approval of the projects. We acknowledge that we are in challenging financial times, and greatly appreciate your willingness to support our schools' instructional spaces, and overall maintenance of our facilities, despite the current economy. These projects will transform our classroom environment, and we look forward to the opportunity that these enhancements will provide our current and future students.

We are invested in these plans, and will work hard to ensure that we take next steps in a comprehensive and timely fashion. As we move forward, we will continue to keep you apprised of this endeavor in the upcoming months. Our goal is to complete the majority of the projects during the summer of 2023, and establish an effective and efficient path forward with the heating, ventilating, and air conditioning (HVAC) project. As always, if you have any questions, please feel free to [contact us](#).

Thank you for continuing the New Providence tradition of supporting our schools. Enjoy the long weekend, and we look forward to seeing you at the many events leading up to the holidays.

Sincerely,

David M. Miceli, Ed.D.
Superintendent of Schools
