Dear High School and Middle School Parents/Guardians,

The NPHS/NPMS Administration, in collaboration with all teacher club advisors, is currently in the process of reviewing all co-curricular clubs for the upcoming 2020-2021 school year. In line with NPHS Athletics and the Marching Band, all clubs will start no sooner than September 14th to allow our students time to focus on their academics and the return to school, via the New Providence School District's hybrid school model, before beginning any official club commitments. More information will be forthcoming on club opportunities in September. We look forward to continuing to provide our students with many opportunities outside the classroom to be innovative, creative, and advance their own personal growth socially and intellectually.

Sincerely,

NPHS/NPMS Administrative Team
