Dear New Providence Parents and Guardians,

This week, we are pleased to debut our new [Parent Resource website](#), containing curated articles, videos, and other helpful information to help you support your child this school year. As the summer comes to a close, we encourage you to have a look. We will continue to update the site with any new or changing information.

Additionally, on the following page, please find the contact information for the Mental Health personnel in our district, who will return full time on September 1st. Please do not hesitate to reach out to us or any of these folks if you have questions or concerns about your child, or to provide us with any relevant information we may need to support your child once he/she returns to school.

Wishing you all the best for a happy (and) healthy 2020-2021 school year!

Sincerely,
