Michael DeLeon

Vaping Me Crazy/Weed Between the Lines

Michael DeLeon is an award-winning documentary filmmaker, published author, and the founder of Steered Straight, a non-profit organization designed to carry an important message to youth on the extreme dangers of drugs. A unique approach to important topics, combining the Prescription Drug Abuse Epidemic with the exploding increases in heroin use/misuse as well as the pending push to legalize marijuana for recreational use. Coupling this with changing trends with synthetic drugs, e-cigarettes, vapors, and alcohol, this seminar educates its audience on how to better understand and prevent as well as stop the overdose and overdose death epidemic we are suffering from in our country

Learn about the latest drug trends

- Learn about the signs and symptoms to watch for
- Be better equipped to speak with your children
- Be given tips and advice to better prevent drug and alcohol use from affecting your children
