April 11, 2022

Dear Parents/ Guardians and Staff,

Good afternoon and Happy Spring! As we approach break, I want to update our school community on some very important topics. First, with respect to our ongoing assessment of the health and safety of our students and staff related to our COVID-19 protocol, we will implement the next phase of changes commencing April 15, 2022.

The last day that the District will contact trace or require quarantine for potential in-school exposure will be April 14, 2022. As we have been monitoring transmission in school, we have reached a point that it is no longer necessary to quarantine students due to potential exposure in school or during school-related activities.

That being said, if there is a positive case within the home, we ask that exposed persons who are not up-to-date with their vaccinations follow the quarantine protocol of five days at home, and then five days with a mask in school. For persons in the home who are asymptomatic and up-to-date with their vaccinations, they do not need to quarantine and may come to school.

As a reminder, current isolation guidelines remain in effect. Please continue to follow the guidance that has been recently sent to you by our school nurses attached [here](#).

In other news, we are pleased to announce our exciting new Bond Referendum initiative. The next Superintendent's Forum will be dedicated to this endeavor. I invite you to join me on **Tuesday, May 3, 2022, at 7:00 PM** in the High School Media Center. We will begin to discuss the process and the proposed projects. Please mark your calendars.

Thank you for all of your support, and best wishes on a healthy and restful break!

Sincerely,

A handwritten signature in black ink that reads "David M. Miceli, Ed.D.".

David M. Miceli, Ed.D.
Superintendent of Schools
