Dear Parents, Staff, and Community Members:

In order to be mindful of the safety of our students, the administrative team is collaborating to evaluate all district field trips, athletic games, co-curricular activities, and other district events on a weekly basis. The administrative team will continue to monitor these events, and make decisions on whether or not the events should be held in accordance with guidance from the Department of Health. Events that need to be cancelled or postponed will be communicated to you on a weekly basis or as needed based on directives from the Department of Health. As of today, all events will continue until further notice.

Thank you for your continued support and patience.

Sincerely,

A handwritten signature in black ink that reads "David Miceli, Ed.D." in a cursive style.
