Karin Kidd, Principal

Dear Incoming 7th Grader & Families,

The Middle School program is designed with student choice in mind. Please take a moment to think about what you would like to pursue in Middle School. There are many exciting programs and clubs available for you to explore!

For your **ninth period course**, all students may choose to continue their musical studies by enrolling in our Music Ensembles, or enroll in a general study hall. Students may participate in chorus, band, orchestra, or a combination of two of the ensembles. They have the opportunity to perform throughout the community as well as participate in our annual music adjudication at Dorney Park. For more information about the Music Ensembles, please contact Mr. Hess at 908-464-4700 ext 1637. Please note, some students, based on need, may be invited to participate in an academic support lab two days per week. (Any students identified as eligible for academic support labs will be contacted in late August.)

We are also excited to offer 7th-graders a **choice of World Languages**. Students may choose either French or Spanish. This is a two-year commitment but all students will have additional options when they transition to the high school.

We do our best to accommodate our students' needs and interests but due to scheduling constraints cannot guarantee you receive your first choice. **Please complete and return the selection below to the Middle School Main Office by June 1st.** Thank you for assisting us in the planning/scheduling process.

We are looking forward to welcoming you to the NPMS!

Student Name: _____ Grade: _____

9th Period Choices:
