## October 2020 Events for Children

### October 5 @ 10 AM - Star Wars Surprise Book Boxes (Grades 3-8)

Complete the Google Form on our website to reserve your Star Wars Surprise Book Box! We'll ask your current grade and reading level, then we'll put together a cool box filled with fun surprises for you, including a Star Wars library book. Which book you get will be a surprise. Return the book to the library when you're finished, but you keep the rest of the Star Wars goodies!

### October 12 @ 3:30 PM- Virtual Club Phoenix (Kids)

Club Phoenix is online! In this program kids will learn about science, engineering, and logical thinking. Watch a variety of cool science experiments and learn how you can do them at home! This program is run by teen volunteers, who are passionate about sharing their love of science and STEM with younger children. Videos will be posted once a month at 3:30 pm on the library's YouTube channel:
