

Springin' Into Adding and Subtracting Tens

<p>IT'S WINTER! START</p>	$34 + 10 =$	<p>ZOOM!!!!</p> 	$12 + 40 =$	$36 - 10 =$	<p>GO BACK 2 SPOTS</p>	$34 + 10 =$	$66 - 50 =$	$74 - 20 =$
	$26 - 20 =$		$34 + 60 =$	<p>Place your marker on start. Hop towards spring by dropping your red/yellow chip. If you flip red, move 1 spot. If you flip yellow, move 2 spots. Use mental math to solve the problem and add/subtract 10's. Say the problem out loud and write it on a scrap piece of paper. Whoever gets to spring (the end) first is the winner! 😊</p>			$14 + 30 =$
