

Theme is the **main message , lesson, or moral** of a story or text. Sometimes an author **clearly states** the theme. Sometimes it's **implied, or suggested**, and the reader has to **figure it out** using evidence in the text.

1. What is an important theme of *Teamwork = Victory* ?

2. What events in this story support this theme ?

3. What message or lesson is the author trying to communicate?

4. How can you use this message and relate it to your everyday life?
